

# Changing the M30 SIM-Card.

You cannot simply pull out your existing SIM-Card, and insert the new SIM-Card. Please follow carefully the instructions below.

1. Press 'M' on the keypad, the message [Change Roster] will be seen.
2. Press 'N' on the keypad, the message [Change SIM-Card] will be seen.
3. Press 'Y' for Yes.
4. The M30 will ask 'REMOVE EXISTING CARD'.
5. Remove the SIM-Card from the M30.
6. The M30 will respond with 'INSERT NEW CARD'
7. Insert the new SIM-Card.
8. Press the 'Y' key once the new SIM-Card has been inserted.

The M30 will now start loading information from the new SIM-Card.

**PLEASE REMEMBER TO RETURN THE OLD SIM-CARD, THANK YOU.**

Correctly Inserted SIM-Card
